

# EAADA & CEDF Partnership - Sparkle & Spurs

## August 23 & 24, 2025

### Amberlea Meadows

#### Eventing Dressage — ShowJumping — Combined Tests

The Canadian Eventing Development Foundation (CEDF) is excited to partner with the Edmonton Area Alberta Dressage Association (EAADA) to offer expanded opportunities for riders all weekend long! Eventing is an equestrian competition with three phases: Dressage, Cross-Country, and Show Jumping, testing precision, bravery, and agility. Thanks to this great partnership, we're excited to offer the following opportunities for riders of all levels!

Note: Per EC rules, a horse may enter up to a maximum of 4 classes per day. Combined test classes count as 2 classes (1 Dressage, 1 Jumping).

### Eventing Dressage Tests – Saturday, August 23

#### Eventing Dressage – Saturday

**Class Fee:** \$45 per test

**Date:** Saturday

Riders may enter and ride **Equestrian Canada (EC) Eventing dressage tests** of their choice on Saturday. This format allows riders to select and perform any official EC Eventing dressage test suited to their level and goals. <https://equestrian.ca/compete/athlete-resources/tests/>

Each entry is judged individually, providing valuable feedback and preparation for competition. This is a great opportunity for riders to polish their test riding in a show environment.

# ShowJump Rounds – Sunday, August 24

## Jump Rounds – Sunday Schooling Opportunity

**Format:** Clear Rounds (for schooling purposes only)

**Class Fee:** \$25 per round

**Time:** Sunday, 10:00 AM – 4:00 PM

Jump rounds will follow standard jumper rules, including elimination for refusals, off-course errors, or falls. Heights will begin at the lowest level and increase progressively throughout the day, as warranted by entries.

Jump rounds will run in conjunction with the Combined Tests on Sunday. Riders may enter additional jump rounds in addition to their Combined Test entry. These rounds offer an opportunity to practice the course ahead of your Combined Test.

Riders may enter jump rounds at:

- The **same height** as their Combined Test
- A **lower height**
- A **higher height**

**Please note the following:**

- Classes will run from **lowest to highest height**.
- If you enter a jump round at a **lower height** than your Combined Test, it will take place **before** your Combined Test round.
- If you enter a jump round at a **higher height**, it will take place **after** your Combined Test round.

This flexible format allows riders to prepare at the height of their choice while maintaining the overall flow and fairness of competition.

**Note:** Per EC Rules, each horse may enter up to a maximum of 4 classes (including dressage or jumping classes) total per day. Combined tests count as 2 classes (1 Dressage, 1 Jumping).

# Combined Test – Dressage & ShowJump Competition – Sunday, August 24

A **Combined Test** is a fun and approachable way for riders to gain experience in two phases of Eventing — **Dressage** and **ShowJumping** — without the cross-country portion.

- **Dressage Test Portion:** Begins at 8:00 AM, starting with the lowest levels and will continue progressively through the levels.
- **ShowJumping Test Portion:** Takes place at least 1 hour after each rider's dressage test. Jumping will take place on the large grass ring and will be a full course.

### How it works:

- Dressage is scored in **penalty points** (lower is better!).
- Show jumping penalties (such as **knocked rails**, **refusals**, or **time faults**) are added to the dressage score.
- The rider with the **lowest combined score** wins their division!
